

Kunal Chandra

Vice President, New Energy, Siemens Gas and Power

SIEMENS

Ingenuity for life

Kunal Chandra joined Siemens through its prestigious Siemens CEO Program in 2017 and is currently the Vice-President for New Energy Businesses, Siemens Gas and Power. In his current role Kunal oversees the new business development opportunities for diversification of Siemens Energy portfolio into new energy value chains. In addition, Kunal has also recently led the re-organization of 3 Siemens energy businesses into the newly formed Siemens Gas and Power company.

Prior to Siemens, Kunal worked for Royal Dutch Shell in several commercial and operations roles in Nigeria, Singapore, Netherlands and India. Kunal holds a Bachelor in Technology degree from Indian Institute of Technology Delhi and an MBA (Hons.) from IMD Business School, Switzerland.
