

Tim Lieuwen

Executive Director, Strategic Energy Institute

Regents' Professor, School of Aerospace Engineering

BIO

Dr. Tim Lieuwen is Regents' Professor, the David S. Lewis, Jr. Professor, and the Executive Director of the Strategic Energy Institute at Georgia Tech. In this capacity, he manages Georgia Tech's overall strategy and external relations for its energy portfolio. Prof. Lieuwen is an international authority on clean energy and combustion. He has authored 4 books and over 350 publications. Board positions include appointment by the DOE Secretary to the National Petroleum Counsel, board of governors of Oak Ridge National Lab, and board member of the ASME International Gas Turbine Institute. He is an elected member of the National Academy of Engineering, a fellow of ASME and AIAA, and recipient of the AIAA Lawrence Sperry Award, ASME's George Westinghouse Gold Medal, NSF CAREER award, and various best paper awards.
