Call for workshop & tutorial proposals

We cordially invite you to submit your proposals for a workshop to be delivered at the 2019 DSCC in Park City, Utah. Workshops will be held on Tuesday, October 8, from 8 am to 5 pm.

Organizers of workshops with at least ten registered attendees will receive a (single) \$500 travel stipend.

Proposals should be sent as PDF files to the Workshops Chair (Reza Moheimani) at Reza.Moheimani@utdallas.edu and should provide the following information.

1. Name(s) and affiliation(s) of organizers and presenters.
2. Brief biosketch of organizers and presenters.
3. Workshop abstract.
4. Outline and timing of topics covered (3 – 4 hours).

Proposal submission deadline: May 1, 2019

Acceptance notification: June 1, 2019

Accepted workshops will be advertised on the DSCC website.

Please note: space for workshops is limited so submit early!

Enjoy countless opportunities to interact with attendees from industry and academia around the world.
