SPONSOR PROSPECTUS

Make sure that your company is noticed and remembered by leading researchers by sponsoring the FEDSM–SHTC–EC conference taking place in Bellevue, Washington. The Conference brings together experts, innovators, and industry partners from across the fluids engineering, heat transfer, and energy sustainability communities.

As a sponsor, your organization will gain premier visibility among top researchers, engineers, and decision-makers who are shaping the future of fluid dynamics, thermal sciences and energy sustainability. This prospectus outlines a variety of opportunities designed to maximize your brand exposure, enhance engagement, and demonstrate your commitment to supporting excellence in the engineering sciences.
