THE CONVERSATION OF CHANGE IS HERE!

TRENDS. EMERGING TECHNOLOGIES. YOUR BUSINESS.

Today's changing energy landscape and technological advancement represent an opportunity to bolster the U.S. energy ecosystem, ignite transformational change, and help meet key policy goals. The ASME Advanced Clean Energy Summit is a 2-day executive conference designed to accelerate innovation, enable transformative technologies, and provide crucial insights that will help the energy sector move forward.

WHO WILL YOU MEET?

- Senior Industry Executives
- Corporate Teams
- Project Developers
- Product Development Managers
- Small Business Owners
- State and Federal Representatives
- Researchers
- Financiers
- Design Engineers
- And More...

KEY TECHNOLOGIES

- Bioenergy
- Clean Transportation
- Energy Storage
- Fossil Resources
- Gas Turbines
- Geothermal
- Hydrogen & Fuel Cells
- Hydropower, Waves & Tides
- Internal Combustion Engines
- Nuclear
- Solar
- Waste Energy
- Wind

WHY SPONSOR?

BUILD YOUR CUSTOMER BASE

Find new prospects, meet potential partners, and uncover ways to grow your business.

REACH DECISION MAKERS

Meet the people who can say 'yes'. Gain valuable time with decision makers and increase potential sales.

INCREASE BRAND AWARENESS

Connect with your target market, create valuable visibility, and promote your unique benefits.

STRENGTHEN RELATIONSHIPS

Solidify current customer relationships with real-time conversations. Meet new companies and present your unique products and services.

HOW IT WORKS

BECOME A SPONSOR

Position your company as a market leader in this dynamic and growing field. We will tailor a sponsorship for the unique goals of your organization. Sponsorships present your company as a valued partner to your customers and prospects. Contact us to customize your package with added features to provide maximum ROI.

EXHIBIT

Create your own mobile 'office space' to meet customers and prospects right at the event. Provide samples and product information. Sponsors and exhibitors receive (1) tabletop exhibit; additional space is available upon request

About ASME

ASME is a not-for-profit membership organization that enables collaboration, knowledge sharing, career enrichment, and skills development across all engineering disciplines, toward a goal of helping the global engineering community develop solutions to benefit lives and livelihoods. Founded in 1880 by a small group of leading industrialists, ASME has grown through the decades to include more than 90,000 members in 135+ countries.

For more than 100 years, ASME has successfully enhanced performance and safety worldwide through its renowned codes and standards, conformity assessment programs, training courses, and journals.

TERMS & CONDITIONS

Management and Sponsor

The term "Management" as used herein shall define the personnel and agents of the American Society of Mechanical Engineers (ASME) to produce this event. The term "Sponsor" shall define the company and its personnel and agents selecting to participate in the Sponsor. Once Sponsor has executed this agreement by means of a signature, all terms shall become binding.

Exhibiting Companies and Products

Management has the sole right to determine eligibility for a product or a company in its conference. Sponsor may display or advertise only goods and services normally manufactured or offered during its business.

Exhibit Space Rules and Contractor Services

Management shall have the right to establish rules for the virtual conference. Management shall have

full discretion regarding items to be displayed during the virtual conference.

Fees and Deposits

Should Sponsor delay payments, Management shall have the right to repossess any assigned space after notifying Sponsor in writing of the intent to do so. In the event of default by the Sponsor, Sponsor remains responsible for payments due and assumes the responsibility for all enforcement costs incurred by Management in collecting such fees.

Sponsor Cancellation or Nonpayment

Sponsor agrees that a reservation is made at the time of execution of this Agreement, whether accompanied by pending deposit, and it shall be regarded as valid and binding. The Sponsor may cancel upon written notification with full refund within 30 days of this agreement and prior to 90 days before the event start date. Should Sponsor decide to cancel after 10 days and prior to 90 days before the start of the event, the Sponsor is liable for 50% of the contracted amount. Cancellation within 90 days prior to the event is subject to a 100% cancellation penalty. Should the Sponsor fail to make timely payments as noted in this Agreement, Management reserves the right to reassign the space to another Sponsor.

Liability and Insurance

Sponsor shall indemnify and hold harmless Management from all liability which might ensue from any cause whatsoever, including attorney's fees.

Use of Logo(s) and Mark(s)

Management will provide Sponsor with approved graphics for use in publicizing their participation in the conference/event. Any alterations to the use of management logo(s) and mark(s) must be approved by management.

Cancellation or Termination of the Sponsor

In the event that the conference is unable to operate, in the sole determination of Management, whether due to Acts of God, war, illness, public safety, strike, civil commotion, picketing, fire, or state of emergency, or by reason of any other occurrence not under the control of Management, or otherwise. Management may cancel, postpone, or terminate the conference. In the event of such cancellation, postponement or termination, the Sponsor waives all claims the Sponsor may have against Management for damages or expenses and agrees to accept in complete settlement and discharge of all claims, the Sponsor's pro rata share of the total amount paid by all Sponsor, excluding deposits, less all costs and expenses incurred by management in the connection with the Sponsor.

Miscellaneous

This Agreement and these "Terms and Conditions" represent the sole and entire agreement between ASME and the Sponsor, and it supersedes all prior agreements and discussions. (No person is authorized to make changes to this Agreement except in writing with the signature of an officer of ASME). The provisions set forth are severable. If any provision is held to be invalid or unenforceable, it shall not affect the validity or enforceability of any other provision. Management shall use all reasonable efforts to properly manage installation and the event itself.
