TERMS & CONDITIONS

Payment

Invoice - Upon receipt of this signed agreement you will be invoiced. Payment is due 10 days from receipt of invoice.

Credit Card - If paying by credit card, a secure link will be sent to you.

Management and Sponsor

The term "Management" as used herein shall define the personnel and agents of the American Society of Mechanical Engineers (ASME) to produce this event. The term "Sponsor" shall define the company and its personnel and agents selecting to participate in the Sponsor. Once Sponsor has executed this agreement by means of a signature, all terms shall become binding.

Exhibiting Companies and Products

Management has the sole right to determine eligibility for a product or a company in its conference. Sponsor may display or advertise only goods and services normally manufactured or offered during its business.

- Sponsorships will not be activated, or benefits implemented until payment is received in full.

Exhibit Space Rules and Contractor Services

Management shall have full discretion regarding items to be displayed during the conference and control over attendance policies at all times. All Exhibitors agree to staff their booth(s) during exposition hours.

Fees and Deposits

Should Sponsor delay payments, Management shall have the right to repossess any assigned space after notifying Sponsor in writing of the intent to do so. In the event of default by the Sponsor, Sponsor remains responsible for payments due and assumes the responsibility for all enforcement costs incurred by Management in collecting such fees.

Sponsor Cancellation or Nonpayment

Sponsor agrees that a reservation is made at the time of execution of this Agreement, whether or not accompanied by pending deposit, and it shall be regarded as valid and binding. The Sponsor may cancel upon written notification with full refund within 30 days of this agreement and prior to 90 days before the event start date. Should Sponsor decide to cancel after 30 days and prior to 90 days before the start of the event, the Sponsor is liable for 50% of the contracted amount. Cancellation within 90 days prior to the event is subject to a 100% cancellation penalty. Should the Sponsor fail to make timely payments as noted in this Agreement, Management reserves the right to reassign the space to another Sponsor.

Music Licensing

Exhibitors are solely responsible to obtain the necessary licenses for all usage of music or video and all costs for such licenses are the responsibility of the Exhibitor. Exhibitor may be prohibited from certain activities without proof of required licenses.

Liability and Insurance

Sponsor shall indemnify and hold harmless Management from all liability which might ensue from any cause whatsoever, including attorney's fees.

Use of Logo(s) and Mark(s)

Management will provide Sponsor with approved graphics for use in publicizing their participation in the conference/event. Any alterations to the use of management logo(s) and mark(s) must be approved by management.

Compliance

Exhibitor assumes all responsibility for compliance with Federal and local codes and all laws related to public safety.

Cancellation or Termination of the Sponsor

In the event that the conference is unable to operate, in the sole determination of Management, whether due to Acts of God, war, illness, public safety, strike, civil commotion, picketing, fire, or state of emergency, or by reason of any other occurrence not under the control of Management, or otherwise. Management may cancel, postpone, or terminate the conference. In the event of such cancellation, postponement or termination, the Sponsor waives any and all claims the Sponsor may have against Management for damages or expenses and agrees to accept in complete settlement and discharge of all claims, the Sponsor's pro rata share of the total amount paid by all Sponsor, excluding deposits, less all costs and expenses incurred by management in the connection with the Sponsor.

Miscellaneous

This Agreement and these "Terms and Conditions" represent the sole and entire agreement between ASME and the Sponsor, and it supersedes all prior agreements and discussions. (No person is authorized to make changes to this Agreement except in writing with the signature of an officer of ASME). The provisions set forth are severable. If any provision is held to be invalid or unenforceable, it shall not affect the validity or enforceability of any other provision. Management shall use all reasonable efforts to properly manage installation and the event itself.
