CALL FOR TECHNICAL POSTERS 6th Technical Poster Presentation Session

The Internal Combustion Engine Division
Invites Posters for the
6th Technical Poster Presentation

The ASME Internal Combustion Engine Division invites you to submit your research in internal combustion engines at the Technical Poster Session. This is a perfect opportunity to showcase your research to the larger internal combustion engines community and receive valuable feedback from experts with years of experience in the field of internal combustion engines

To be considered please submit a **400-word abstract**. Abstracts may be submitted to the POSTERS track starting **April 28, 2022, until July 18, 2022**. Abstracts will be reviewed for content and approved no later than **July 25, 2022**. Accepted abstracts will be invited to showcase their research posters at the 6th Poster Session on Sunday, **October 16, 2022**, at the **Opening Reception** of the 2022 ASME ICE Forward Conference. The posters should be no larger than 48" x 36". Poster boards and easels will be provided at the conference venue.

You must register for the ICEF2022 conference to present your poster at the conference venue!!

Please Upload your abstract by July 18, 2022

For questions about the technical content regarding the technical poster presentation session, please contact srini002@ua.edu

For other questions regarding the webtool and submission of abstracts, please contact Toolboxhelp@asme.org
