

Steven DeCoste is a graduate from Oakland University with a BSE in both Electrical and Computer Engineering, and a member of the OU Honors College. Currently working for General Motors in the company's TRACK rotational program, Steven is participating in his first rotation as a manufacturing controls engineer at Flint Assembly Michigan.

Steven looks forward to the future where he will continue to develop as an engineer at General Motors working towards the company's goal of Zero Crashes, Zero Emissions, and Zero Congestion, and as a future returning student at Oakland University pursuing his Master of Science in Electrical and Computer Engineering.
