

CALL FOR TECHNICAL POSTERS

4th Technical Poster Presentation Session

The Internal Combustion Engine Division
ASME International
Invites Posters for the
4th Technical Poster Presentation

2019 Fall Technical Conference
October 20-23, 2019
Chicago, IL, USA

The ASME Internal Combustion Engine Division invites you to submit your research in internal combustion engines at the Technical Poster Session. This is a perfect opportunity to showcase your research to the larger internal combustion engines community and receive valuable feedback from experts with years of experience in the field of internal combustion engines.

To be considered please submit a **400-word abstract**. Abstracts may be submitted to the POSTERS track starting **May 23, 2019 until July 22, 2019**. Abstracts will be reviewed for content and approved no later than **August 5, 2019**. Accepted abstracts will be invited to showcase their research posters at the 4th Poster Session on **October 20, 2019** at the **Opening Reception** of the 2019 ASME Internal Combustion Engines Fall Technical Conference. The posters should be no larger than 48" x 36". Poster boards and easels will be provided at the conference venue.

You must register for the conference to present your poster.

Please Upload your abstract by July 22, 2019 to

<http://www.asmeconferences.org/ICEF2019/Author/AuthorAbstract.cfm>

For questions about the technical content regarding the WIP presentation, please contact ksrinivasan@eng.ua.edu
For other questions regarding the webtool and submission of abstracts, please contact Toolboxhelp@asme.org
