2023 PROSPECTUS

The American Society of Mechanical Engineers®
ASME®

ASME
SETTING THE STANDARD

The Conference Organizing Committee of the 17th ASME International Conference on Environmental Remediation and Radioactive Waste Management (ICEM 2023) is pleased to invite you to participate in the sponsoring program for ICEM 2023, which will take place in Stuttgart, Germany from October 3-6, 2023.

ICEM 2023 promotes a broad global exchange of information on technologies, operations, management approaches, economics, and public policies in the critical areas of decontamination/ decommissioning & dismantling (D/D&D), environmental remediation and radioactive waste management. We are expecting 300+ industry and government professionals and practitioner experts in the fields of Environmental Engineering, nuclear energy, and Nuclear Engineering from around the world.

The conference provides a unique opportunity to foster cooperation among specialists from countries with mature environmental management programs and those from countries with emerging programs. ICEM is a forum for managers, scientists, engineers, hygienists, technology developers, equipment suppliers, government officials, utility representatives and owners of nuclear environmental issues from around the world to:

- meet and present advances in technologies
- exchange ideas and experiences while promoting technological progress and its application in industry
- promote international cooperation in environmental remediation and radioactive waste management

The ICEM conference has been on hiatus since 2013, and ASME and the organizing committee are excited and ready to bring it back in 2023. With major regulation changes and events in Europe and Asia since the last conference, we expect a strong attendance as well as demand for exhibit and sponsorship opportunities.

The conference is hosted by ASME's Nuclear Engineering Division (NED) and Environmental Systems Division (ESD). NED focuses on the design, analysis, development, testing, operation and maintenance of reactor systems and components, nuclear fusion, heat transport, nuclear fuels technology and radioactive waste. ESD promotes the art, science and practice of engineering in all issues pertaining to the environment, fostering developments and applications in air, ground, and water pollution technologies and is breaking ground into many multi-disciplinary areas of the environment.

YOUR OPPORTUNITY

ICEM 2023 welcomes all kinds of sponsorship from interested organizations and companies. You will find a wide variety of Sponsor and Exhibitor opportunities listed in this prospectus, and we encourage you to consider sponsoring/exhibiting a range of activities to provide maximum exposure for your company. Some opportunities are limited and are available on a first come, first serve basis.

If you do not see a sponsorship or exhibiting opportunity that interests you, please inquire about a customized partnership.

If you wish to purchase a sponsorship or a booth, or have any questions regarding the opportunities, please contact us by email at icem@seatoskymeetings.com.

Join us as a Sponsor to or Exhibitor to interact with the world's leading specialists in the Environmental Systems and Nuclear Engineering Fields, maximize your presence in the industry and promote your services and products.

Kind regards,

Conference Chairs

Rosa Lo Frano and **Horst Monken Fernandes**

TOP 10 REASONS TO SPONSOR OR EXHIBIT

1. 300+ researchers, engineers, and managers expected from over 30 countries
2. ASME peer reviewed presentations in 20+ technical sessions
3. Multiple panel sessions with technical experts
4. Keynote and plenary sessions from industry backgrounds
5. Visibility and client interaction throughout the conference through sponsor recognition and social events within the exhibit hall
6. Plant yourself firmly into the minds of key decision makers
7. Place your company brand throughout the conference venue and in electronic messaging to registered and potential attendees
8. Cross many markets; broaden your international appeal
9. Be associated with industry-wide publicity
10. Enjoy well-targeted networking opportunities

CONFERENCE PROGRAM

Social Events

- Welcome Reception (amongst Exhibits)
- Networking lunches with exhibitors
- AM and PM Refreshment Breaks (amongst Exhibits)
- Banquet Dinner (optional event)
- Facility Tours

Plenary Lectures

- Opening Ceremony with Keynote
- Luncheon Speakers
- Plenary sessions with industry professionals

Technical Program

The ICEM 2023 technical program will include the following tracks:

Track 1: Robotics and Remote Handling and Viewing Technologies

Track 2: Facility Decommissioning, Decontamination & Demolition (D/D&D) Overall

Track 3: Major facilities experience in handling accidents and D/D&D

Track 4: Spent Fuel, Fissile Material, TRU and HLW Management:

Track 5: L/ILW Radioactive Waste Management:

Track 6: Environmental Remediation (ER)

Track 7: Special Topics 1 - Public Involvement/ Crosscutting Issues/Global Partnering/Human Resource Development

Track 8: Special Topics 2 – New Facility Planning/ Environmental Management (EM)/ Health & Safety

Track 9: Student/Young Engineers Program

Track 10: D/D&D Research and Development Activities

SPONSORSHIP/EXHIBITOR PACKAGES

Companies and Organizations can choose from the sponsorship packages below, or individual sponsorship opportunities on the next page.

Summary of Levels and Benefits	Diamond 25,000 EUR One Available	Platinum 20,000 EUR Two Available	Gold 15,000 EUR One Available	Silver 10,000 EUR Ten Available	Bronze 5,000 EUR Six Available
Sponsorship of the Conference app	●	●	-	-	-
Booth space in the exhibit hall	6 x 6 meters	6 x 6 meters	6 x 3 meters	3 x 3 meters	3 x 3 meters
Exclusive sponsorship of a Social Event, including recognition (non-speaking) during the event. Choice of events is by level, then by date payment received.	Welcome Reception & Lanyard (lanyard to be provided by Sponsor)	One Lunch & Presentation	Dinner Banquet	Individual Track Sponsor	One Refreshment Break
Complimentary conference registrations	6	4	3	2	1
Conference App Push notification(s)	3	2	1	-	-
Logo on Conference bag	●	-	-	-	-
Splash Advert in the Conference App	●	●	●	●	●
Company description and logo recognition in the conference app.	200 Words	175 Words	150 Words	100 Words	50 Words
Recognition on the conference website with a hyperlink to the company's website.	●	●	●	●	●
Recognition in all promotional materials and eblasts, including sponsor signage at the event.	●	●	●	●	●
Employees of sponsoring company can register for the conference at ASME member rates.	●	●	●	●	●

Companies can choose from the sponsorship packages above or individual sponsorship opportunities on the next page.

INDIVIDUAL SPONSOR OPPORTUNITIES

CONFERENCE APP

COST: 5,000 EUR

- Organization logo on splash screen that displays when entering the app
- One sponsor recognition push notification in app

INDIVIDUAL TRACK SPONSOR

COST: 5,000 EUR

- Organization name to be associated with a Track (10 available) with recognition also within the ICEM 2023 conference app and on the official ICEM 2023 website.
- Sponsor recognition in the meeting room where the applicable symposium takes place.

WI-FI

COST: 4,500 EUR

- Organization logo on Wi-Fi login screen
- One sponsor recognition push notification in app

Half Page	800 EUR
Quarter Page	500 EUR

CUSTOM EXHIBIT FLOOR SPACE

**COST: 390 EUR PER M²
(MIN 9M²)**

Exhibiting at ICEM 2023 is a fantastic opportunity for your business to promote itself among the preeminent professionals and academics in the Environmental and Nuclear engineering fields. The exhibits will be located in a part of the conference that receives the maximum traffic. Custom Exhibit Floor Space provides flexibility for you to bring your own equipment, including semi-trailers.

Benefits include:

- Custom size exhibition space in the main conference area (booth structure and furniture not included)
- 50 word company description and logo recognition in the conference app.
- Company logo and link on the official ICEM 2023 Conference website.
- Each 9m² exhibit space includes admission for one exhibit staff to Conference lunches, refreshment breaks and the Welcome Reception.

All custom booths brought in by exhibitors require approval by ICEM 2023 and are subject to minimum requirements.

ALL-IN EXHIBIT BOOTH PACKAGE

COST: 4,000 EUR PER 9 M²

We offer you an “all-in booth package” that includes all benefits of a regular exhibit floor space as well as:

- Shell scheme booth structure (white)
- Carpet
- Company Name and stand number per open side
- Lighting package
- One electrical socket
- Cleaning before the opening of exhibition
- Furniture set: 1 table, 2 chairs and 1 paper waste basket

ALL PRICES LISTED FOR SPONSORSHIPS AND EXHIBITS ARE EXCLUSIVE OF VAT.
