Unlike events that focus on one topic or discipline, IMECE has 14+ disciplines to broaden your reach and bottom line.

It’s All About The Interdisciplinary Mix

ASME’s International Mechanical Engineering Congress and Exposition (IMECE) is the largest interdisciplinary mechanical engineering conference in the world. IMECE plays a significant role in stimulating innovation from basic discovery to translational application.

It fosters new collaborations that engage stakeholders and partners not only from academia, but also from national laboratories, industry, research settings, and funding bodies.

Among the 3,000 attendees from 53+ countries are mechanical engineers in acoustics, vibration, and photonics; advanced manufacturing; advances in aerospace technology; biomedical & biotechnology engineering; design, reliability, safety, and risk; dynamics, vibration, and control; engineering education; energy; fluids engineering; heat transfer and thermal engineering; materials: genetics to structures; mechanics of solids, structures and fluids; and micro- and nano-systems engineering and packaging; and more.

- Company logo displayed in the event program
Stand Out and exhibit at IMECE

EXHIBITION
The exhibition will run alongside the conference, providing you with an opportunity to network with delegates, demonstrate your products, generate new sales leads, and raise your profile across 14+ mechanical engineering disciplines.

$1,500 Virtual Booth
Load images, videos, presentations, and up to 5 downloadable content documents in your virtual booth. Includes lead generation and one technical conference badge. Attendees can start conversations with exhibitors using email and/or video chat, in a one to one chat or group chat setting. Your logo with a Web link and 75-word description will be on the exhibitor page of the ASME IMECE Virtual Website in addition to the platform virtual booth. During the event, your logo will be visible for attendees to encourage visiting you in the exhibition. After the event, you will be provided a detailed report showing how many people visited, the content that was reviewed, and more. Includes 1 virtual event badge. Demo rooms to host small sessions with attendees.

TERM & CONDITIONS

1. Management and Exhibitor
The term “Management” as used herein shall define the personnel and agents of the American Society of Mechanical Engineers (ASME) to produce this event. The term “Exhibitor” shall define the company and its personnel and agents selecting to participate in the exposition. Once Exhibitor has executed this agreement by means of a signature, all terms shall become binding.

2. Exhibiting Companies and Products
Management has the sole right to determine eligibility for a product or a company in its exposition. Management shall have the right to change the location of assigned space for an Exhibitor. Exhibitor agrees not to assign or sublet its space allotted. Exhibitor may display or advertise only goods and services normally manufactured or offered in the course of its business.

3. Attendance
Management shall have the sole control over attendance policies at all times. All Exhibitors agree to staff their booth(s) during exposition hours. Up to 2 booth personnel can be accommodated to set up and manage the booth. These individuals will not receive full conference access.

4. Fees and Deposits
Should exhibitor delay payments, Management shall have the right to repossess any assigned space after notifying Exhibitor in writing of the intent to do so. In the event of default by the Exhibitor, Exhibitor remains responsible for payments due and assumes the responsibility for all enforcement costs incurred by Management in collecting such fees.

5. Exhibitor Cancellation or Nonpayment
Exhibitor agrees that a reservation is made at the time of execution of this Agreement, whether or not accompanied by pending deposit, and it shall be regarded as valid and binding. The Exhibitor may cancel upon written notification with full refund within 30 days of this agreement. Should Exhibitor decide to cancel after 30 days, the Exhibitor is liable for 100% of the contracted amount.

6. Exposition
Management shall have the authority to set event hours, which may change upon notice to the Exhibitors.
7. Music Licensing
Exhibitors are solely responsible to obtain the necessary licenses for all usage of music or video and all costs for such licenses are the responsibility of the Exhibitor. Exhibitor may be prohibited from certain activities without proof of required licenses.

8. Use of Logo(s) and Mark(s)
Management will provide Exhibitor with approved graphics for use in publicizing their participation in the conference/event. Any alterations to the use of management logo(s) and mark(s) must be approved by management.

9. Compliance
Exhibitor assumes all responsibility for compliance with Federal and local codes and all laws related to public safety.

10. Cancellation or Termination of the Exposition
In the event that the Exhibition is unable to operate, in the sole determination of Management, whether due to Acts of God, war, illness, public safety, strike, civil commotion, picketing, pandemic, fire or state of emergency, or by reason of any other occurrence not under the control of Management, or otherwise. Management may cancel, postpone or terminate the exposition. In the event of such cancellation, postponement or termination, the Exhibitor waives any and all claims the Exhibitor may have against Management for damages or expenses and agrees to accept in complete settlement and discharge of all claims, the Exhibitor’s pro rata share of the total amount paid by all Exhibitor, excluding deposits, less all costs and expenses incurred by management in the connection with the exposition.

11. Miscellaneous
This Agreement shall be governed as a whole in accordance with the laws of the State of New York. Any actions arising out of enforcement of this Agreement must be initiated in the State of New York. This Agreement and these “Terms and Conditions” represent the sole and entire agreement between ASME and the Exhibitor, and it supersedes all prior agreements and discussions. (No person is authorized to make changes to this Agreement except in writing with the signature of an officer of ASME). The provisions set forth are severable. If any provision is held to be invalid or unenforceable, it shall not affect the validity or enforceability of any other provision. Management shall use all reasonable efforts to properly manage installation and the event itself. Management shall not be held liable for late installation or power or services interruptions that may occur.
