

# IMECE<sup>®</sup> 2022

International Mechanical Engineering  
Congress & Exposition<sup>®</sup>

CONFERENCE

Nov. 2022

Location TBD

## Call for Abstracts

SUBMIT ABSTRACT

**ABSTRACT DEADLINE: March 15, 2022**

## Share Your Research. Advance Your Career.

ASME's International Mechanical Engineering Congress & Exposition (IMECE) is the only event where R&D leaders from academia, industry, and government converge to make connections and share insights for innovation across engineering disciplines. Take this opportunity to engage with your research community at ASME's largest R&D conference. Abstract topics include:

- Acoustics, Vibration, and Phononics
- Advanced Manufacturing
- Advanced Materials: Design, Processing, Characterization, and Applications
- Advances in Aerospace Technology
- Biomedical & Biotechnology Engineering
- Design, Systems, and Complexity
- Dynamics, Vibration, and Control
- Energy
- Engineering Education
- Fluids Engineering
- Heat Transfer and Thermal Engineering
- Mechanics of Solids, Structures, and Fluids
- Micro- and Nano-Systems Engineering and Packaging
- Safety Engineering, Risk and Reliability Analysis
- ASME International Undergraduate Research and Design Expo (Posters Only)
- National Science Foundation
- Research Posters

If you have any questions on the IMECE abstract process, please email:  
**[congresshelp@asme.org](mailto:congresshelp@asme.org)**

For technical publication submissions, authors should submit a 400-650 word text-only abstract by March 15, 2022. For presentation only submissions, authors should submit their abstract by March 15, 2022.
