

# ASME IMECE® 2023

International Mechanical Engineering  
Congress & Exposition®

New Orleans Ernest N. Morial Convention Center,  
New Orleans, LA, USA

October 29 – November 2, 2023

## IT'S ALL ABOUT THE INTERDISCIPLINARY MIX

**IMECE** fosters new collaborations that engage stakeholders and partners not only from academia, but also from national laboratories, industry, research settings, and funding bodies.

Among the 2,000 attendees from 53+ countries are mechanical engineers in acoustics, vibration, and photonics; advanced manufacturing; advances in aerospace technology; biomedical & biotechnology engineering; design, reliability, safety, and risk; dynamics, vibration, and control, engineering education; energy; fluids engineering; heat transfer and thermal engineering; materials: genetics to structures; mechanics of solids, structures and fluids; and micro- and nano- systems engineering and packaging; and more.

### Attend to:

- Meet your next R&D partner or employer in academia, industry, or government
- Unlock new research ideas and deepen your expertise across nearly 20 technical tracks
- Build your résumé and your organization's brand
- Share your insights with ASME's largest and most diverse conference community

Don't miss your chance to connect with research leaders, advance your career, and innovate at the intersection of engineering disciplines this October in New Orleans.

# ASME IMECE® 2023

International Mechanical Engineering  
Congress & Exposition®

New Orleans Ernest N. Morial Convention Center, New Orleans, LA, USA  
October 29 – November 2, 2023

## 2023 Exhibit Hours:

- Sunday, October 29: 5:30pm – 7:00pm
- Monday, October 30: 12:00pm – 5:00pm
- Tuesday, October 31: 12:00pm – 4:00pm
- Wednesday, November 1: 12:00pm – 4:00pm

ASME's International Mechanical Engineering Congress and Exposition (IMECE) is the largest interdisciplinary mechanical engineering conference in the world, attracting university department heads, lab directors, and other decision makers with whom you want to connect.

The exhibition will run alongside the conference, providing you with an opportunity to network with delegates, demonstrate your products, generate new sales leads, and raise your profile across 14+ mechanical engineering disciplines.

The exhibit hall is where the excitement will take place. These activities will be held in the exhibit hall:

- Sunday Opening Reception
- Lunch Monday to Wednesday. Exhibitors eat prior to the hall opening for attendees.
- Afternoon breaks with refreshments
- Demonstrations and poster presentations

## All exhibitors receive:

Exhibit space with 8' black draped booth backdrop, 3' side dividers, 6' draped table, 2 chairs and an identification sign: \$3,000 USD.

- 1 technical conference badge per 100 square feet of exhibit space
- 2 booth personnel badges per 100 square feet of exhibit space
- Discounted technical conference registration for company employees
- Monday, Tuesday and Wednesday exhibit hall lunch
- Significantly discounted technical conference registration for company employees
- 70-word company listing in the digital program
- Discounted advertising opportunities

## Become a Sponsor

Featuring a variety of sponsorship opportunities designed to maximize your company's visibility, the sponsorship program provides even more ways to stand out from the crowd and make the most of your budget. **Opportunities beginning as low as \$500.**

Visit the online floor plan and reserve your booth today:
