## IT'S ALL ABOUT THE INTERDISCIPLINARY MIX

ASME's International Mechanical Engineering Congress and Exposition (IMECE) is the largest interdisciplinary mechanical engineering conference in the world. IMECE plays a significant role in stimulating innovation from basic discovery to translational application.

It fosters new collaborations that engage stakeholders and partners not only from academia, but also from national laboratories, industry, research settings, and funding bodies. Among the 3,000 attendees from 53+ countries are mechanical engineers in acoustics, vibration, and photonics; advanced manufacturing; advances in aerospace technology; biomedical

& biotechnology engineering; design, reliability, safety, and risk; dynamics, vibration, and control, engineering education; energy; fluids engineering; heat transfer and thermal engineering; materials: genetics to structures; mechanics of solids, structures and fluids; and micro- and nano-systems engineering and packaging; and more.

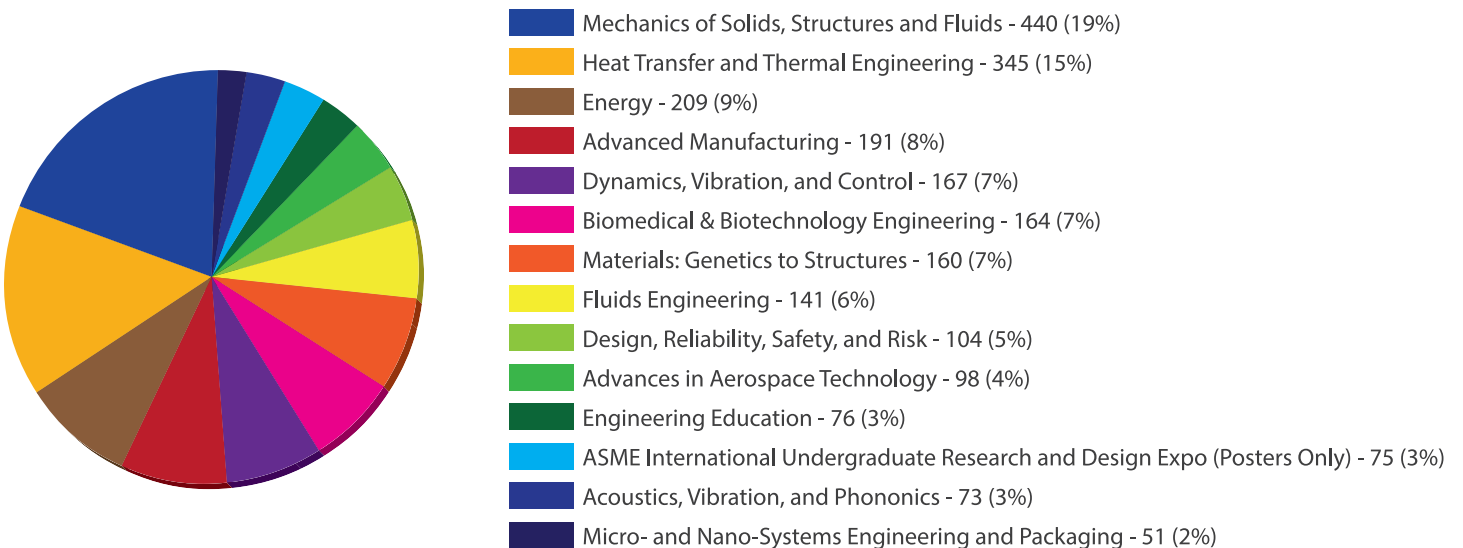

With over 1000 student registrations, IMECE provides an excellent opportunity to find your next engineer through dedicated networking events:

- Poster Sessions
- Opening Reception
- Early career networking events
- Interview opportunities

Exhibitor agrees not to assign or sublet its space allotted. Exhibitor may display or advertise only goods and services normally manufactured or offered in the course of its business.

## 3. Exhibit Space Rules and Contractor Services

Exhibitors are responsible to cover or fix all areas Management may consider unsightly, at Exhibitor’s expense. Should an Exhibitor be unfinished with installation as specified in the show rules, Management may take steps to finish said installation at the Exhibitor’s expense. Should the Exhibitor fail to follow exposition deadlines for installation in terms of occupying the agreed upon booth space, Management shall repossess said space and Exhibitor forfeits all claims to it and all monies paid. No Exhibitor shall have the right to dismantle, unpack or vacate a booth prior to the end of the official show hours without the express written permission of Management. Management reserves the right to amend and enforce exposition regulations as it deems proper to assure the success of the event. Any behavior or equipment which Management finds to detract from the general appearance and intention of the Exposition may be grounds for eviction. Neon lights, gas signs, helium balloons, taping items on facility walls or columns are expressly prohibited. Exhibitors are encouraged to seek approval in advance of the show from Management for questionable items so as to eliminate additional removal costs on behalf of the Exhibitor at the show. If the Exhibitor fails to comply with respect to show rules and this Agreement, Management may retake possession of the Exhibitor’s assigned space, notwithstanding Exhibitor’s continued responsibility for all payments due. If the Exhibitor fails to comply with respect to show rules and this Agreement, Management may retake possession of the Exhibitor’s assigned space, notwithstanding Exhibitor’s continued responsibility for all payments due. Exhibitor agrees that a reservation is made at the time of execution of this Agreement, whether or not accompanied by pending deposit, and it shall be regarded as valid and binding. The Exhibitor may cancel upon written notification with full refund within 30 days of this agreement and prior to 90 days before the event start date.
