## Sponsor and Exhibitor Prospectus

### 43rd International Conference on Ocean, Offshore and Arctic Engineering

June 9–14, 2024 • Singapore

**Allan Magee**  
Conference Co-Chair

**A**SME and the Conference Organizing Committee are pleased to invite you to participate as a sponsor and/or exhibitor at the 43rd International Conference on Ocean, Offshore and Arctic Engineering (OMAE 2024), taking place June 9 to 14, 2024 at the Singapore EXPO.

In keeping with pace of global challenges, OMAE has expanded its focus from the traditional disciplines associated with Offshore & Marine industries, to increase its emphasis on sustainability and the role of the ocean. This year, the technical program will include the following, regionally-focused events:

- Professor Phillip Liu Honouring Symposium on Coastal Engineering and Environmental Fluid Mechanic Wave Theories, Wave-Structure Interactions, Coastal Processes, Coastal Hazards - Tsunamis and Storm Surges
- Blue Economy Symposium: Covering emerging technologies related to the blue economy with a focus on aquaculture and renewable energy applications.

Hosted by the Ocean, Offshore and Arctic Engineering (OOAE) Division of ASME, OMAE 2024 provides an excellent opportunity to promote your company through sponsorship and participation as an exhibitor. OMAE 2024 will be

Kind regards,

**Allan Magee**  
Founder, Smart Blue Solutions  
Conference Co-Chair

**Prof. Michael Si**  
Director (Projects), Technology Centre for Offshore and Marine, Singapore  
Conference Co-Chair

**Lance Manuel**  
Editor-in-Chief, JOMAE;  
Professor & Associate Chair of Civil Engineering, UT Austin  
Technical Program Co-Chair

**Prof. Ying Min Low**  
Associate Editor, JOMAE;  
Deputy Director, Centre for Offshore Research and Engineering, NUS  
Technical Program Co-Chair

an in-person conference, with authors giving live paper presentations in Singapore. Our objective is a strong in-person attendance with the size of audience we've come to know and expect at the OMAE conference. Since 2003, the OMAE conference has more than tripled in size, and we expect 800–1,000 attendees in Singapore.

The OMAE conference is co-sponsored by over thirty international professional societies, many of whom actively promote the conference to their membership, widening the reach of the conference and your sponsorship.

Singapore is recognized worldwide as a leading country in Engineering and offshore construction, scientific advancement and education. Its companies have a global reach and are well-equipped to make the leap to address future challenges related to the oceans. Together with strong governmental support for research performers like A\*Star and TCOMS, its educational institutes are consistently ranked among the world's best. It is therefore fitting that Singapore has been chosen to host this prestigious event.

This is a good opportunity to make connections with Singapore and other countries in the region. We hope you will join us as a sponsor and or exhibitor in Singapore, June 9 to 14 2024!

Multiple sponsorship opportunities are available if you want a conference wide presence.

**Prof. Michael Si**  
Conference Co-Chair

**Lance Manuel**  
Technical Program Co-Chair

**Prof. Ying Min Low**  
Technical Program Co-Chair

# Your Opportunity

You will find a wide variety of Sponsor opportunities available at the conference, and we encourage you to consider sponsoring a range of activities to provide maximum exposure for your company. Some opportunities are limited and are available on a first come, first serve basis.

If you do not see a sponsorship opportunity that interests you, please enquire about a customized partnership. How can we help you to realize your sponsorship objectives?

If you wish to purchase a sponsorship or a booth, or have any questions regarding the opportunities, **please contact us at [omae@seatoskymeetings.com](mailto:omae@seatoskymeetings.com)**.

Join us as a Sponsor to reach the world's leading offshore specialists in Singapore in June 2024.

## Conference Fact Sheet

**THE CONFERENCE:** OMAE is the annual Industry Sector conference of the Ocean, Offshore and Arctic Engineering Division of ASME. The OMAE conference returned to an in person conference in 2022 with over 700 participants in Hamburg, Germany and with 750 in Melbourne, Australia in 2023.

**ATTENDANCE:** 800–1,000 ocean, offshore and arctic professionals from the scientific and industrial communities from over 30 countries

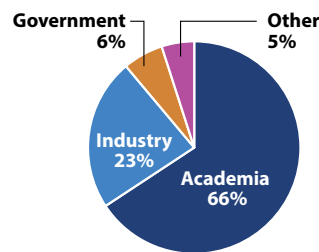

**DATES:** June 9–14, 2024

**VENUE:** Singapore EXPO

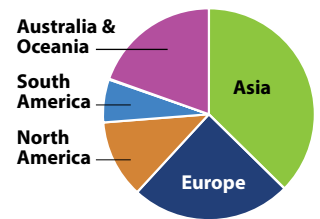

**AUDIENCE:** The annual OMAE conference is an international assembly of engineers, researchers, technical specialists and students in the fields of ocean, offshore and arctic engineering. It is an opportunity to exchange ideas on the advances in technology and its scientific support. The OMAE 2024 Conference Organizing Committee expects leaders from major companies, academics from the world's premier institutions and government representatives. They are involved in all aspects of ocean, offshore and arctic engineering from the development of new technologies to deepening existing know-how and reducing environmental impact.

### PLANNED SOCIAL EVENTS:

- Welcome Reception
- Four Lunches
- Morning and afternoon coffee breaks
- Conference Banquet
- Farewell Reception
- Appreciation Dinner
- Honor Dinner
- Happy hour drinks
- Accompanying Persons and Sightseeing Tours

2023 Attendees by Industry Sector

2023 Attendees by Region

### TECHNICAL PROGRAM

In addition to the Standard Symposia, the OMAE 2024 Technical Program will include:

- Professor Phillip Liu Honouring Symposium on Coastal Engineering and Environmental Fluid Mechanics Wave Theories, Wave-Structure Interactions, Coastal Processes, Coastal Hazards – Tsunamis and Storm Surges
- Blue Economy Symposium: Covering emerging technologies related to the blue economy with a focus on aquaculture and renewable energy applications.

### STANDARD SYMPOSIA

- Offshore Technology
- Structures, Safety and Reliability
- Materials Technology
- Pipelines, Risers, and Subsea Systems
- Ocean Space Utilization
- Ocean Engineering
- Polar and Arctic Sciences and Technology
- CFD & VIV
- Ocean Renewable Energy
- Offshore Geotechnics
- Petroleum Technology

# Sponsorship Packages

## SPONSORSHIP LEVELS

### AMOUNT

Exclusive sponsorship of the Banquet or Conference app

Exclusive sponsorship of a Social Event, including recognition (non-speaking) during the event. Choice of events is by level, then by date payment received.

PLATINUM	GOLD	SILVER	BRONZE
\$25,000 SGD	\$20,000 SGD	\$15,000 SGD	\$10,000 SGD
✓	—	—	—
Choice of Welcome Reception or One Lunch	Choice of Welcome Reception or One Lunch	One Afternoon Drink Reception or Two Refreshment Breaks	One Refreshment Break

## SPONSORSHIP BENEFITS

Complimentary conference registrations

Conference App Push notification(s)  
Content to be approved by LOC and ASME

Logo with URL and Company description and logo recognition in the app.

Acknowledgement as a sponsor of the Outreach Program, and all benefits awarded to Outreach sponsors.

Recognition on the conference website with a hyperlink to the company's website.

Recognition in all printed promotional materials and eblasts, including sponsor signage at the event.

Employees of sponsoring company can register for the conference at member rates.

## Additional Sponsorship Opportunities

### NAME BADGES & LANYARDS

\$9,000 SGD

- Sponsor logo on lanyard (lanyard to be provided by Sponsor).
- Recognition on the OMAE 2024 website.

### CONFERENCE APP

\$5,000 SGD

- Organization logo on splash screen that displays when entering the app.
- One sponsor recognition push notification in app.

### SYMPOSIUM

\$4,000 SGD

- Organization name to be associated with a Symposium (13 available) with recognition on the official OMAE 2024 website and in the app on each of the symposium sessions.
- Sponsor recognition in the meeting room where the applicable symposium takes place.

### AFTERNOON LECTURE

\$3,000 SGD

- Organization name to be associated with an afternoon lecture with recognition on the official OMAE 2024 website and in the app on the session.
- Sponsor recognition in the meeting room where the applicable afternoon lecture takes place.

### KEYNOTE

\$3,000 SGD

Organization name to be associated with the keynote with recognition on the official OMAE 2024 website and in the app on the session.

### SHORT COURSE

\$1,500 SGD

Sponsor recognition in the meeting room where the short course takes place and on the official OMAE 2024 website.

### TECHNICAL TOUR

\$1,500 SGD

Organization name to be associated with a technical tour with recognition on the official OMAE 2024 website and in the app.

### REGISTRATION DESK

\$5,000 SGD

Branding on the registration desk.

### DELEGATE GIFT

\$2,500 SGD

Gift to be approved by the LOC and ASME. Sponsor will supply a gift for all participants, include ASME logo, OMAE logo and conference dates and location on gift, and arrange for gifts to be shipped to Singapore Expo the week prior to the conference.

# Booth in Exhibition Hall

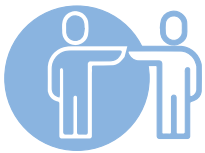

**Cost: \$4,500 SGD**

An exhibition booth at the OMAE 2024 Conference is a fantastic opportunity for your business to promote itself among the preeminent professionals and academics in the ocean, offshore and arctic engineering fields. The booths will be located in a part of the conference that receives the maximum traffic. Benefits include:

- 3M wide by 3M deep exhibition booth in the main conference area
- 100 word company description and logo recognition in the conference program.
- Company logo and link on the official OMAE 2024 Conference website.

- The purchase of one booth includes admission for two exhibit staff to four Conference lunches, the Welcome Reception and the Conference Banquet, as well as admission for one of the two staff to attend the technical sessions.

## Outreach for Engineers Sponsorship

The Outreach Program is designed to appeal to students studying in the fields of ocean, offshore and arctic engineering and to familiarize those who aren't as yet involved in the industry. The majority are graduate students who have worked on a paper being presented. The program's primary goal is to encourage all to choose a career path in the industry.

The Outreach activities usually include a team-building activity, welcome reception, speaker program and a wrap-up breakfast. Students are encouraged to attend the entire conference in addition to the special Outreach Programs. Students must apply to be accepted into the Outreach Program with the organizing committee reviewing their applications. There are grants offered

for some students to attend the Outreach Program as well as the conference. Sponsorship allows for more students to attend the conference and to improve the Outreach Program.

**Cost: \$6,000 SGD**

Sponsor Benefits include:

- Organization logo on Outreach Program website
- Company logo and link on the official OMAE 2024 Conference website
- Access to student resumes
- Opportunities to meet with student attendees
- Opportunities to engage students and be recognized at Outreach Program activities
