

HOW TO... OMAE

ASME'S PREMIER OCEAN OFFSHORE AND ARCTIC ENGINEERING CONFERENCE!

Whether you're a conference veteran looking for other ways to participate at this year's event or this is your very first OMAE Conference, you've come to the right place!

REGISTER

Visit our [REGISTRATION PAGE](#), to see all the registration categories available. Select the option that best fits your needs. Are you an author? A student? Make sure you read the author/presenter requirement, and register for the appropriate category.

If you need an invitation letter to secure a visa for entry into the country, you'll have the opportunity to request it during registration.

Visit the Registration desk to pick up your badge once you arrive.

**REGISTRATION WILL
OPEN IN 2025**

GET THE APP

OMAe 2025 will utilize a mobile event app, ASME Conferences, in place of a printed program to ease and enhance your experience. The conference app will be populated a week prior to the conference.

Ensure that you **ONLY** download the ASME Conference App through the Official Apple App Store and Google Play Store, as linked below.

- [Download via the Google Play Store](#)
- [Download via the AppStore](#)

The ASME Conferences App allows the user to access event content with other attendees in advance. It also allows for you to "build" your own schedule.

Build your own schedule by bookmarking different events for the week of the conference. You can schedule events such as:

- Sessions
- Networking Events
- Social Events
- Individual Presentations
- Committee Meetings
- ...and more!

EVENTS

Check out our [website](#) to see what events are taking place during the conference:

- Short Courses
- Afternoon Lecture Series
- Technical Tours (\$)
- Conference Banquet
- Opening Reception
- Farewell Reception

HOW TO... OMAE

ASME'S PREMIER OCEAN OFFSHORE AND ARCTIC ENGINEERING CONFERENCE!

VENUE

The conference will be located at:

Vancouver Convention Centre - East 999 Canada Place, Vancouver, B.C. Canada V6C 3T4

HOTEL

The conference is holding rooms for rent by attendees for a negotiated rate at two separate hotels within 10 minutes of the Vancouver Convention Centre-East.

The room block information will be provided as soon as it is available.

ACCESSIBILITY

We endeavor to create an inclusive environment where all participants feel a sense of belonging. In our efforts to promote inclusivity, we provide:

- Designated prayer room
- Individual handicapped toilets
- Lactation space for mothers
- Elevators

Our goal is to enable every individual who wishes to attend OMAE to do so without facing barriers. During the registration process you will be given the opportunity to self identify and request a service.

UPGRADE YOUR EXPERIENCE!

Are you a veteran of OMAE? Looking for a new way to participate or get involved with the conference, or the supporting division?

VOLUNTEER

The OMAE Conference is primarily organized by a passionate group of volunteers from the Ocean Offshore and Arctic Engineering community along with a local organizing committee. It is their expertise that drives the content of our event and ensure's we continue to bring relevant research and engaging content to our event. Would you like to impact future programing? Reach out to one of our ASME Staffers today, to find out how you can get involved with the conference or the supporting division.

PRESENT YOUR RESEARCH AT THE 2025 CONFERENCE

In keeping with pace of global challenges, OMAE has expanded its focus from the traditional disciplines associated with Offshore & Marine industries, to increase its emphasis on sustainability and the role of the ocean. This annual conference attended by over 800 participants from over 40 countries across the globe, offers a perfect opportunity to keep up with new technologies and research, learn form experts in the field and present your own study, as well as network with old and new colleagues in the field.

Abstract Submission November 18, 2024!
Visit the ASME OMAE Website for a full publication schedule.
