

OMAER 2021 Virtual Conference Sponsor Opportunities

The 40th International Conference on Ocean, Offshore & Arctic Engineering (OMAER 2021) will be held virtually from June 21 – 30, 2021. The annual OMAER conference, hosted by the American Society of Mechanical Engineers (ASME), is an international assembly of engineers, researchers, technical specialists, and students in the fields of ocean, offshore and arctic engineering. It is an opportunity to exchange ideas on the advances in technology and its scientific support.

The Theme of OMAER 2021 is “Adapting to and Mitigating Climate Change in Marine, Offshore and the Oceans” and the conference committee has secured seven industry experts to provide keynote lectures on this topic, which is of increasing importance in the industry.

In addition to keynotes, OMAER 2021 Virtual will feature the standard 11 symposia, Short Courses, multiple networking opportunities and a Sponsor Gallery.

Participants will access the platform two weeks prior to the conference dates with the ability to watch paper presentations on demand, as well as viewing the sponsor gallery and connecting with sponsors. The virtual platform will remain live for three months post-conference for on-demand viewing of paper presentations, keynotes and sponsor resources.

Sponsorship opportunities are available.

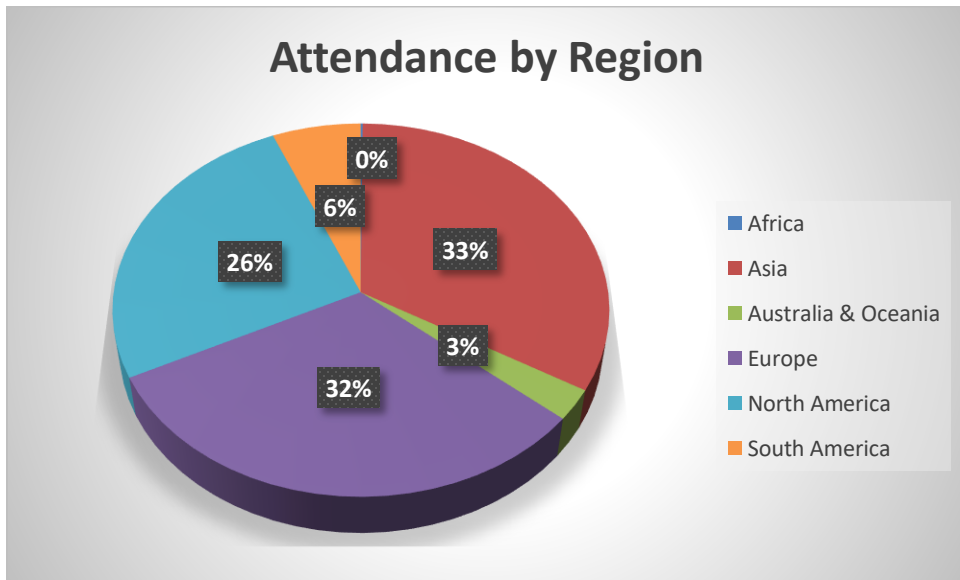

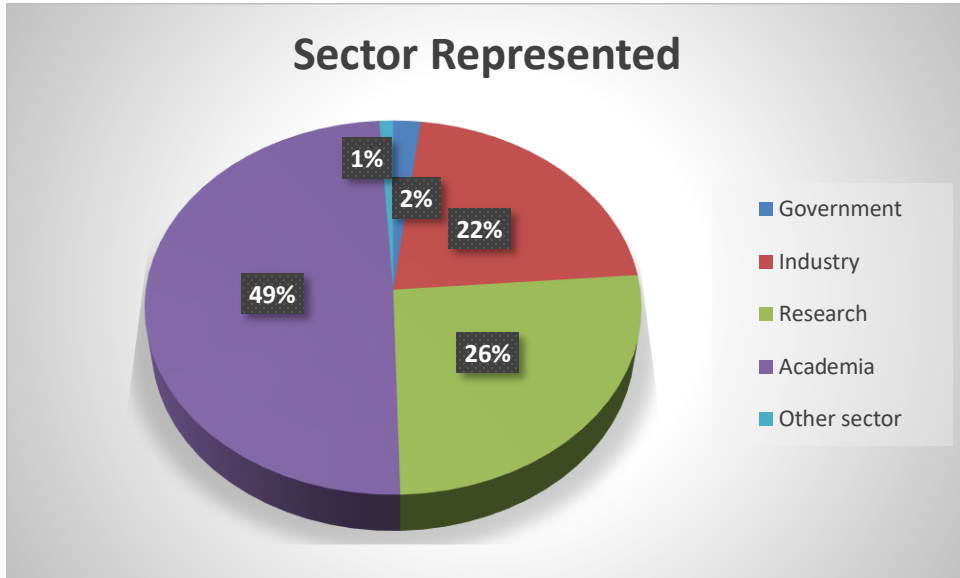

Reach over 500 offshore and arctic professionals from the scientific and industrial communities around the world.

Confirm Your Participation

Confirm your participation by May 1, 2021 by contacting the OMAER 2021 Virtual Conference Secretariat by email at omae@seatoskymeetings.com.

Audience

The OMAE 2021 Conference Organizing Committee expects between 400 - 600 professionals from over 30 countries, with attendees including leaders from major companies, academics from the world's premier institutions and government representatives. They are involved in all aspects of ocean, offshore and arctic engineering from the development of new technologies to deepening existing know-how and reducing environmental impact.

Sponsorship Opportunities

As a sponsor, each opportunity enables your organization to gain a wide range of exposure to conference participants. The opportunities and benefits outlined below can be customized to meet your organization's specific recognition, marketing and advertising needs. See the next page for descriptions on each of the opportunities outlined below.

Sponsorship Opportunities: Details and Notes

Platform Sponsor	This exclusive opportunity features your company logo across the platform. Participants will see your logo on the sign-in screen as they enter the platform, as well as adverts on the home screen of the platform, host-feed pop ups and more.
Meeting Hub	Sponsor the Meeting Hub where participants gather to connect with other participants, schedule meetings, share their contact information, and chat via text message or video call. Your company logo will appear on the meeting hub landing page.
Gamification	The exclusive gamification sponsor can include your organization name in the gamification link and section of the online platform, contribute up to four trivia questions, and can provide the prizes for gamification winners if you wish to do so.
Symposium Sponsor	Each of the eleven standard symposia offers an exclusive opportunity to sponsor the symposium. Your company logo will be displayed on a holding slide as participants enter the paper presentation session rooms prior to session start.
Participation in the Sponsor Gallery	Exhibit and connect with participants via chat message or arrange a video call. Your participation includes a company logo and description, URL links, downloadable pdf documents, and up to four company videos (based on sponsor category). The sponsor gallery will stay live for three months post event.
