

OMAE 2019

Glasgow

38th International Conference on Ocean, Offshore and Arctic Engineering

Sponsor Prospectus

Professor Atilla Incecik

Professor Krish
Thiagarajan Sharman

The OMAE 2019 Conference Organizing Committee is pleased to invite you to participate in the sponsoring program of the 38th International Conference on Ocean, Offshore and Arctic Engineering (OMAE 2019) taking place in Glasgow, Scotland from June 9-14th.

The conference is staged in partnership between the Ocean, Offshore and Arctic Engineering (OOAE) Division of The American Society of Mechanical Engineers (ASME) and the University of Strathclyde. The conference will provide an excellent opportunity to promote your company through sponsorship and participation as an exhibitor, all in the beautiful setting of Glasgow.

Glasgow is a port city on the River Clyde and is the largest city in Scotland. It is rapidly becoming one of the world's most preeminent centres for engineering, is a national cultural hub and is the 4th most visited city in the UK. Well known for being the city of innovation and science in Scotland, Glasgow is an excellent location to meet and engage with academics and future leaders in Offshore Technology. A unique, interesting and not-to-miss destination for OMAE participants.

Since 2003, the OMAE conference has more than tripled in size, with 1,200 participants at the most recent OMAE conference in Madrid, Spain.

The OMAE conference is co-sponsored by over thirty international professional societies, many of whom actively promote the OMAE conference to their membership, widening the reach of the conference and your sponsorship.

Join us as a Sponsor to reach the world's leading offshore specialists in Glasgow, Scotland in June 2019.

Kind regards,

Prof. Atilla Incecik
Conference Chair

Prof. Krish Thiagarajan Sharman
Technical Program Chair

Your Opportunity

You will find a wide variety of Sponsor opportunities available at the conference, and we encourage you to consider sponsoring a range of activities to provide maximum exposure for your company. Some opportunities are limited and are available on a first come, first serve basis.

If you do not see a sponsorship opportunity that interests you, please enquire about a customized partnership. How can we help you to realize your sponsorship objectives?

If you wish to purchase a sponsorship or a booth, or have any questions regarding the opportunities, please contact Eunji Na by email at omae@seatoskymeetings.com.

Conference Fact Sheet

THE CONFERENCE: OMAE 2019 is the annual conference of the Ocean, Offshore and Arctic Engineering Division of ASME.

DATES: June 9-14, 2019

VENUE: Scottish Event Campus, Glasgow, Scotland

ATTENDANCE: 1,000 – 1,200 ocean, offshore and arctic professionals from the scientific and industrial communities from over 40 countries

AUDIENCE: The annual OMAE conference is an international assembly of engineers, researchers, technical specialists and students in the fields of ocean, offshore and arctic engineering. It is an opportunity to exchange ideas on the advances in technology and its scientific support. The OMAE 2019 Conference Organizing Committee expects between 1,000 – 1,200 professionals from over 40 countries with attendees including leaders from major companies, academics from the world's premier institutions and government representatives. They are involved in all aspects of ocean, offshore and arctic engineering from the development of new technologies to deepening existing know-how and reducing environmental impact.

CONFERENCE SOCIAL EVENTS:

- Welcome Reception
- Four Networking Lunches
- Conference Banquet
- Farewell Reception
- Afternoon Plenary Lectures
- Afternoon Drinks

2018 Attendees by Industry Sector

2018 Attendees by Region

TECHNICAL PROGRAM

The OMAE 2019 technical program will follow the tradition of excellence in previous OMAE conferences. The following 11 standard symposia and two special symposia are planned:

STANDARD SYMPOSIA

- Offshore Technology
- Structures, Safety and Reliability
- Materials Technology
- Pipelines, Risers, and Subsea Systems
- Ocean Space Utilization
- Ocean Engineering
- Polar and Arctic Sciences and Technology
- CFD & VIV
- Ocean Renewable Energy
- Offshore Geotechnics
- Petroleum Technology

HONORARY SYMPOSIA

- Prof. Rodney Eatock Taylor Honoring Symposium on Marine and Offshore Hydrodynamics
- Prof. Takeshi Kinoshita Honoring Symposium on Offshore Technology

Booth in Exhibition Hall

Cost: 3,000 GBP (excluding VAT)

An exhibition booth at the OMAE 2019 Conference is a fantastic opportunity for your business to promote itself among the preeminent professionals and academics in the ocean, offshore and arctic engineering fields.

The booths will be located in a part of the conference that receives the maximum traffic. Benefits include:

- 3M wide by 3M deep exhibition booth in the main conference area
- 100 word company description and logo recognition in the conference program.
- Company logo and link on the official OMAE 2019 Conference website.
- The purchase of one booth includes admission for two exhibit staff to four Conference lunches, the Welcome Reception and the Conference Banquet, as well as admission for one of the two staff to attend the technical sessions.

Outreach for Engineers

The Outreach Program is designed to appeal to students studying in the fields of ocean, offshore and arctic engineering and to familiarize those who aren't as yet involved in the industry. The majority are graduate students who have worked on a paper being presented.

The program's primary goal is to encourage all to choose a career path in the industry.

The Outreach activities usually include a team-building activity, welcome reception, speaker program and a wrap-up breakfast. Students are encouraged to attend the entire conference in addition to the special Outreach Programs. Students must apply to be accepted into the Outreach Program with the organizing committee reviewing their applications. There are grants offered for some students to attend the Outreach Program as well as the conference. Sponsorship allows for more students to attend the conference and to improve the Outreach Program.

Cost: 5,000 GBP (excluding VAT)

(multiple opportunities)

Sponsor Benefits include:

- Organization logo on Outreach Program website
- Organization logo in the conference program
- Access to student resumes.
- Opportunities to meet with student attendees.
- Opportunities to engage students and be recognized at Outreach Program activities.
