

# HOW TO PVP...

## ASME'S PREMIER PRESSURE VESSELS AND PIPING CONFERENCE!

Whether you're a veteran looking for other ways to participate at the conference or this is your very first PVP, you've come to the right place!

### REGISTER

Visit our [REGISTRATION PAGE](#), to see all the registration categories available. Select the option that best fits your needs. Are you an author? A student? Make sure you read the author/presenter requirement, and register for the appropriate category.

If you need an invitation letter to secure a visa for entry into the country, you'll have the opportunity to request it during registration.

Visit the Registration in Evergreen A to pick up your badge.

[REGISTER](#)

### GET THE APP

PVP 2024 will utilize a mobile event app, ASME Conferences, in place of a printed program to ease and enhance your experience. The app will be populated for use 1 week prior to the event.

The ASME Conferences App allows the user to access event content with other attendees in advance. It also allows for you to "build" your own schedule.

Build your own schedule by bookmarking different events for the week of the conference. You can schedule events such as:

- Sessions
- Networking Sessions
- Social Events
- Individual Presentations
- Committee Meetings
- ...and more!

Ensure that you ONLY download the ASME Conference App through the Official Apple App Store and Google Play Store, as linked below.

- [Download via the Google Play Store](#)
- [Download via the AppStore](#)

### EVENTS

Check out our [Schedule at a Glance](#) to see what events are taking place during the conference:

- Special Tutorials
- Honors and Awards Gala
- [Expert Workshop \(\\$\)](#)
- Conference Wide Reception
- Committee Meetings
- Hydrogen Study Group
- Networking Reception
- Tours (\$)

**JULY 28 - AUGUST 2, 2024**

# HOW TO PVP...

## ASME'S PREMIER PRESSURE VESSELS AND PIPING CONFERENCE!

### HOTEL

The conference will be located at: **Hyatt Regency Bellevue on Seattle's Eastside  
900 Bellevue Way NE  
Bellevue, WA, 98004**

The conference is open for reservation by attendees for a negotiated rate of \$239/per night + taxes. The group room block reservation deadline is July 8, 2024. The room block typically sells out. Please reserve your room as soon as you are able to take advantage of the discounted conference rate and to ensure availability at the conference hotel.

### ACCESSIBILITY

We endeavor to create an inclusive environment where all participants feel a sense of belonging. In our efforts to promote inclusivity, we provide a designated prayer room, a lactation space for mothers, and offer reimbursement for child care expenses. Our goal is to enable every individual who wishes to attend PVP to do so without facing barriers.

During the registration process you will be given the opportunity to self identify and request a service. If you would like to take advantage of the child care reimbursement, you can visit this link for more information:

#### [CHILDCARE SERVICES](#)

### UPGRADE YOUR EXPERIENCE!

Are you a veteran of PVP? Looking for a new way to participate or get involved with the conference, or the supporting division?

### VOLUNTEER

The PVP Conference is primarily run by a passionate group of volunteers from the pressure vessels and engineering community. It is their expertise that drives the content of our event and ensure's we continue to bring cutting edge technologies and research to our event. Reach out to our conference manager, Kim Miceli, to find out how you can get involved with the conference or the supporting division.

 [MiceliK@asme.org](mailto:MiceliK@asme.org)

### PRESENT YOUR RESEARCH AT THE 2025 CONFERENCE

The PVP Conference is the ideal platform to keep up with new technologies, network and interact with experts, practitioners, and peers in the Pressure Vessels & Piping area. The PVP Conference is a recognized international forum with participants from more than 40 countries in Europe, Africa, the Middle East, Asia, the Americas and the Oceania islands.

Abstract Submission window opens Summer of 2024!  
Visit the ASME PVP Website for a Publication schedule!
