**** For liability reasons, hotel associates may not recommend any specific childcare agency to guests. A list of local childcare agencies has been provided. However, the Hotel is not involved in providing the service and the Hotel is merely providing a compilation of local childcare agencies taken from various directories available to the public without independent verification. Hotel associates (on-duty or off-duty) may not be used as babysitters. Charges for services rendered by the babysitting/childcare agency may not be charged to the guest's room.***
