Turbomachinery Technical Conference & Exposition
Presented by the ASME International Gas Turbine Institute

CONFERENCE | EXHIBITION
June 17-21, 2019 | June 18-20, 2019

Phoenix Convention Center,
Phoenix, Arizona USA

Booth Construction Guidelines

ASME booth construction rules are in accordance with the guidelines established by the [International Association for Exhibitions and Events \(IAEE\)](#). Exhibitors wishing to request a deviation from approved booth construction must submit plans in writing to ASME IGTI **prior to May 4, 2019**, and describe the deviations. Deviations to the IAEE booth construction guidelines will not be permitted unless they are approved in writing by ASME IGTI.

[Click here for height restrictions, multi-story construction, construction materials and other guidelines for the Turbo Expo 2019 Exposition.](#)

Hanging Signs

Hanging banners will be permitted at Turbo Expo 2019. Please refer to the GES Service Forms for more information on rigging and fees.

Exhibitor Appointed Contractor (EAC)

ASME has appointed GES as the official service contractor to provide various services that may be utilized by Exhibitors. If you are planning to use a contractor other than the Show Appointed Contractor (GES) to build your exhibit, please be sure to complete the Exhibitor Appointed Forms from the Kit and return to ASME.
