

ASME 2020 TURBO EXPO

Turbomachinery Technical Conference & Exposition
Presented by the ASME International Gas Turbine Institute

CONFERENCE
JUNE 22 – 26

EXHIBITION
JUNE 23 – 25

ExCeL London
London, England

FINAL PROGRAM/EXHIBIT DIRECTORY

Each attendee will receive a Final Program/Exhibit Directory at Registration. The directory includes an alphabetical list of exhibitors with a brief company description, a floor plan and a product directory.

A standard printed directory listing will include a 15-word description. For a nominal fee, you can increase your listing up to 40 **words** and a logo. Please see the Advance and Final program [Advertising Insertion Order Form](#) for pricing and ordering information.

PROGRAM ADVERTISING

Affordable advertising opportunities are available in the official Advance and Final Programs. For pricing details visit the [Turbo Expo Ad Insertion Order Form](#).

ONLINE EXHIBITOR DIRECTORY AND PRODUCT LOCATOR

****Exposure Beyond the Exhibit Hall****

Every Exhibiting Company will be responsible for accessing and updating their company listing. The information in the Online Exhibitor Directory will be used for the creation of the printed Exhibitor Directory that will be distributed to attendees at the Show as well as attendees can search for exhibitors by product category prior to the Show to plan their floor visits. To be included in the printed Final Program, your online listing must be updated by March 2020. [Update your listing online today.](#) Please contact [ASME IGTI](#) if you need the access email for registration to the site.

Your online listing enhances your visibility before, during and after Turbo Expo. Take control of your exhibit and customize your online booth information. Add press releases announcing any new products or services or activities within your booth. Showcase your products and services or add a video and be sure to include your social media outlets. This is all INCLUDED with your booth purchase.
