

Facility Tour Pre-screening Application

Delft University of Technology is hosting a tour for delegates of ASME Turbo Expo 2022 to the TU Delft Labs on Thursday, 16 June 2022. The tour departs from the Rotterdam AHOY Convention Center at 13:00 (1:00 pm). The tour is restricted to 30 participants. *

Tour description:

The Delft University of Technology is one of the most renowned technical universities in Europe. 8 faculties offer 16 bachelor's and more than 30 master's programs. It hosts more than 25,000 students and 6,000 employees who share a fascination for science, design and technology with the mission of having an impact for a better society. The visit will provide an opportunity to visit some of the experimental setups of the Propulsion and Power group at Aerospace Engineering and those of the Gas Turbines group at Mechanical Engineering.

Each delegate wishing to take the tour must complete the information below and return it **no later than June 15th to: Hafsa Ahmed, ahmedh@asme.org**.

Inquiries regarding this tour may be directed to: Prof. Piero Colonna (p.colonna@tudelft.nl) for Aerospace Engineering and to Prof. Sikke Klein (S.A.Klein@tudelft.nl) for Mechanical Engineering.
