

# Join us in Rotterdam, The Netherlands!

June 13–17

Rotterdam, The Netherlands

[www.turboexpo.org](http://www.turboexpo.org)

Keynote Theme:

Road Mapping the Future  
of Propulsion & Power

Over 2,000 attendees expected. Join your colleagues for valuable networking and hear from industry leaders.

- Over 900 papers expected for presentation.
- Over 100 high-quality leading companies in the exhibition held June 14-16.

A five-day Technical Conference that sets the world standard for turbine technology events. Registration includes online access to the final papers, access to all activities (panels, tutorials, exhibition, paper presentations and on-demand videos), and abundant networking opportunities, including receptions and daily lunches.

*If you cannot attend in person, visit [www.turboexpo.org](http://www.turboexpo.org) for more information.*

# Exhibition Information

We are excited to be back to in-person and looking forward to seeing you in Rotterdam! The 3-day exposition will be held June 14-16 during the 5-day technical conference.
