WHERE YOUR EVENT GETS INSURED

Rainprotection is an Authorized Official for The American Society of Mechanical Engineers.

Exhibitor Liability Insurance

As a standard requirement for all of our show exhibitors, it is necessary for you to provide proof of general liability coverage from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$1,000,000 aggregate. Insurance coverage is not optional.

This insurance must be in force during the lease dates of the event, June 11-18, 2022, naming The American Society of Mechanical Engineers (11757 Katy Freeway Suite 380 Houston, TX 77079) as the certificate holder. The following must be listed as additional insured: ASME International Gas Turbine Institute, ASME Gas Turbine Segment, ASME TURBO EXPO 2022 and The American Society of Mechanical Engineers and Rotterdam Ahoy.

If you do not have this coverage in place, ASME has made arrangements so that exhibitors can easily acquire this coverage at significant savings from Rainprotection Insurance.
