

Turbo Expo 2023

BOSTON, MASSACHUSETTS

JUNE 26 - 30, 2023

Hynes Convention Center
900 Boylston Street
Boston, Massachusetts 02115
USA

Join us at the 68th ASME Turbo Expo with over 2,800 turbomachinery colleagues from around the world!

Turbo Expo includes a premier turbomachinery technical conference and exposition. The 5-day conference attracts the industry's leading professionals and key decision makers, whose innovation and expertise are helping shape the future of the turbomachinery industry.

THE AMERICAN SOCIETY OF MECHANICAL ENGINEERS® (ASME®)

Why Should You Attend Turbo Expo 2023?

1. Networking

Turbo Expo 2023 is expecting over 2,800 turbomachinery professionals from around the world. Whether you are looking to land your next business deal, hire new talent, or look for your next job, Turbo Expo is the event where industry movers and shakers gather.

2. Learn the Latest Technical Trends

Come to Turbo Expo 2023 to learn the latest in gas turbine technology. Turbo Expo provides attendees the opportunity to gain valuable insight that they can apply in their job.

3. Promote Your Company

Turbo Expo 2023 provides the perfect opportunity to unveil your latest gas turbine related product or service. Turbo Expo attendees are motivated industry professionals that interact with gas turbines daily. Take this opportunity to talk with your target audience and stay ahead of your competition.

The 3-Day Exposition Will Be Held June 27-29 in Boston, Massachusetts

Turbo Expo 2023 has value added activities to promote traffic to your booth! Daily lunches and afternoon open bars in the exhibit hall are included in the registration package for exhibit booth staff.

ASME Turbo Expo is known for its high-quality exhibitions of leading companies in the turbomachinery industry. This is your chance to attract new clients, visit with current ones, learn more about the changing needs of the international turbomachinery industry - and ultimately, increase your sales.

Annually, Turbo Expo attracts over 2800 turbomachinery professionals. Turbo Expo brings together the top players in the turbomachinery industry and academia - attracting a key audience from aerospace, power generation and other prime mover-related industries.
