2026 Milan

Advance booth space selection for ASME Turbo Expo 2026 in Milan (June 15-19) has begun. Watch for the email to let you know when it is your company's time to select space. This is a space reservation only. Contracts will be issued in late summer.

Registration is open. If you did not receive the email with the registration instructions, [please let us know](#). All attendees need to register!

Invite your customers to visit you in the exhibit hall using the complimentary customer invitations. A savings of \$150 per badge. Contact us at exhibits@asme.org for the invitation.

All attendees will be issued a name badge with a QR code. With a smartphone or tablet, you can easily capture the information about visitors to your exhibition stand by scanning the QR code on their badges. Exhibitors will get free access to the conference mobile app, which you can download directly onto your smartphone or tablet to scan leads. Complimentary wi-fi will be provided. Your entire team can utilize and scan leads from their phones and all team members can access the portal. We will need one LEAD to receive the setup information and they then can add team members.

[Complete the complimentary leads form today to have access.](#)

Are you **HIRING**? Let us know and we will identify your booth as **HIRING** on the Show floor. [Complete by MAY 18.](#)

See you soon!
