

# ASME 2020 TURBO EXPO

Turbomachinery Technical Conference & Exposition  
Presented by the ASME International Gas Turbine Institute

CONFERENCE  
JUNE 22 – 26

EXHIBITION  
JUNE 23 – 25

ExCeL London  
London, England

## Introducing Exhibitor Lead Retrieval

All attendees at the Turbo Expo 2020 in London, UK will be issued a name badge with a QR code. With a smartphone or tablet, you can easily capture the information about visitors to your exhibition stand by scanning the QR code on their badges.

Exhibitors will get free access to a mobile app, which you can download directly onto your smartphone or tablet to scan leads. Complimentary Wi-Fi will be provided.

You will receive a detailed orientation on how to download the app and log in to scan and view your leads prior to the conference.

## Lead Retrieval Order

If you would like complimentary access to the lead retrieval app, please provide an email address, which will be used for the user account set up (ideally the onsite contact). Please note, all users from your organization will log in to the application with this email address.

Exhibiting Organization: \_\_\_\_\_ Booth Number: \_\_\_\_\_

User email address: \_\_\_\_\_

Contact First and Last Name: \_\_\_\_\_

If you do not have a cellphone or tablet to use, we can arrange a rental unit for you. Please note that a deposit is due for all rental devices which will be refunded upon return of the undamaged device. Rental devices must be ordered a minimum of 30 days prior to the event start date. Please check the box below if you do not have a cellphone or tablet and wish to receive a rental device. We will contact you with further details on how to obtain your rental prior to the conference.

I wish to rent a mobile device for lead retrieval scanning.

**Please returned the completed form to [igtiexpo@asme.org](mailto:igtiexpo@asme.org).**
