

# Bath/ASME Symposium on Fluid Power and Motion Control FPMC 2024

11<sup>th</sup> – 13<sup>th</sup> September, 2024  
University of Bath, United Kingdom

Papers are sought in the following areas relating to hydraulic and pneumatic systems:

- Zero carbon technologies
- Drives, transmissions and actuators
- Components and systems
- Efficient and intelligent systems
- Modelling and Simulation
- Control
- Smart fluids and materials
- Fault analysis and diagnosis
- Noise and vibration
- System design
- Digital and switched fluid power systems

Papers will be subject to formal review and those accepted for inclusion in the programme will be published in the Symposium Proceedings.

The Symposium will be held at Bath, and will include a banquet and presentation of awards on the evening of the 12<sup>th</sup> September.

## Submission schedule

**12<sup>th</sup> February 2024** Abstract submission
