

CALL FOR TECHNICAL POSTERS

5th Technical Poster Presentation Session

The Internal Combustion Engine Division
ASME International
Invites Posters for the
5th Technical Poster Presentation

2020 Fall Technical Conference
November 1-4, 2020
Denver, CO, USA

The ASME Internal Combustion Engine Division invites you to submit your research in internal combustion engines at the Technical Poster Session. This is a perfect opportunity to showcase your research to the larger internal combustion engines community and receive valuable feedback from experts with years of experience in the field of internal combustion engines.

To be considered please submit a **400-word abstract**. Abstracts may be submitted to the POSTERS track starting **May 26, 2020 until July 14, 2020**. Abstracts will be reviewed for content and approved no later than **July 21, 2020**. Accepted abstracts will be invited to showcase their research posters at the 5th Poster Session on **November 1, 2020 Opening Reception** of the 2020 ASME Internal Combustion Engines Fall Technical Conference. The posters should be no larger than 48" x 36". Poster boards and easels will be provided at the conference venue.

You must register for the ICEF2020 conference to present your poster at the conference venue!!

Please Upload your abstract by July 14, 2020 to

<https://asme-sso.secure-platform.com/api/sso/start>
