ASME IDETC-CIE 2027

INTERNATIONAL DESIGN ENGINEERING TECHNICAL CONFERENCES & COMPUTERS AND INFORMATION IN ENGINEERING CONFERENCE

CONFERENCE: AUGUST 1-4, 2027

PHILADELPHIA MARRIOTT DOWNTOWN | PHILADELPHIA, PA, USA

CALL FOR PAPERS
SHARE YOUR RESEARCH. ADVANCE YOUR CAREER.

The ASME 2027 International Design Engineering Technical Conferences & Computers and Information in Engineering Conference will take place in August 2027. IDETC/CIE 2027, will highlight emergent technologies that impact the critical engineering issues of product design and development, manufacturing, and the management and integration of information systems throughout the product life cycle. This event is an opportunity to connect with your design, computer, and information engineering research community and advance your career. Many presenters go on to publish in ASME's esteemed journals.

You are kindly invited to submit a technical paper or presentation only abstract to the following technical tracks that cover key topics such as advanced vehicle technologies, design automation, robotics, ML in design and manufacturing, and more:

29th International Conference on Advanced Vehicle Technologies (AVT)
47th Computers and Information in Engineering Conference (CIE)
53rd Design Automation Conference (DAC)
24th International Conference on Design Education (DEC)
32nd Design for Manufacturing and the Life Cycle Conference (DFMLC)
39th International Conference on Design Theory and Methodology (DTM)
23rd IEEE/ASME International Conference on Mechatronic and Embedded Systems and Applications (MESA)
51st Mechanisms and Robotics Conference (MR)
21st International Conference on Micro- and Nanosystems (MNS)
23rd International Conference on Multibody Systems, Nonlinear Dynamics, and Control (MSNDC)
39th Conference on Mechanical Vibration and Noise (VIB)

For TECHNICAL PUBLICATION submissions, authors should submit a full-length paper by February 22, 2027.

For PRESENTATION ONLY submissions, authors should submit their extended abstract by March 22, 2027.
