GET THE APP

PVP 2025 will utilize a mobile event app, ASME Conferences, in place of a printed program to ease and enhance your experience. The app will be populated for use 1 week prior to the event.

The ASME Conferences App allows the user to access event content with other attendees in advance. It also allows for you to "build" your own schedule.

Build your own schedule by bookmarking different events for the week of the conference. You can schedule events such as:

- Sessions
- Networking Sessions
- Social Events
- Individual Presentations
- Committee Meetings
- ...and more!

Ensure that you **ONLY** download the ASME Conference App through the Official Apple App Store and Google Play Store, as linked below.

HOW TO PVP...

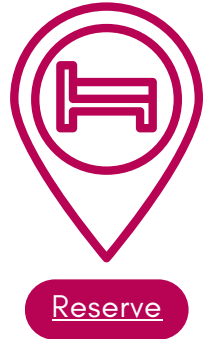

ASME'S PREMIER PRESSURE VESSELS AND PIPING CONFERENCE!

HOTEL

The conference will be located at:

Hotel Bonaventure Montreal
900 Rue De la Gauchetière O,
Montréal, QC H5A 1E4, Canada

The conference is open for reservation by attendees for a negotiated rate of \$309 CAD/per night + taxes. The group room block reservation deadline is Friday June 27th, 2025. The room block typically sells out. Please reserve your room as soon as you are able to take advantage of the discounted conference rate and to ensure availability at the conference hotel.

ACCESSIBILITY

We endeavor to create an inclusive environment where all participants feel a sense of belonging. In our efforts to promote inclusivity, we provide a designated prayer room, a lactation space for mothers, and offer reimbursement for child care expenses. Our goal is to enable every individual who wishes to attend PVP to do so without facing barriers.

During the registration process you will be given the opportunity to self identify and request a service. If you would like to take advantage of the child care reimbursement, you can visit this link for more information:

UPGRADE YOUR EXPERIENCE!

Are you a veteran of PVP? Looking for a new way to participate or get involved with the conference, or the supporting division?

VOLUNTEER

The PVP Conference is primarily run by a passionate group of volunteers from the pressure vessels and engineering community. It is their expertise that drives the content of our event and ensure's we continue to bring cutting edge technologies and research to our event. Reach out to our conference manager, Kim Miceli, to find out how you can get involved with the conference or the supporting division.
