PRESSURE VESSEL AND PIPING TECHNOLOGIES IN A RAPIDLY CHANGING WORLD

Join us in Montreal, Quebec, Canada for the 2025 ASME Pressure Vessels & Piping Conference, as we contribute to supporting a sustainable world by advancements in Pressure Vessel & Piping Technologies.

The PVP Conference is the ideal platform to keep up with new technologies, network and interact with experts, practitioners, and peers in the Pressure Vessels & Piping area.

The PVP Conference is a recognized international forum with participants from more than 40 countries in Europe, Africa, the Middle East, Asia, the Americas and the Oceania islands. The ASME Pressure Vessels & Piping Division sponsors the PVP Conference with participation by the ASME NDPD Division.

There are sponsorship and exhibit opportunities for every budget.

THE PVP 2025 SPONSORSHIP PROGRAM INCLUDES SOME EXCITING NEW BENEFITS.

- Two networking receptions held in the exhibit area
- Concentrated exhibit timing to reduce staffing and travel costs
- Extended breaks in the exhibit area for more time with conference delegates
- Opportunities for select sponsors to provide technical demonstrations or presentations in the exhibit area.
- Reduced entry level sponsorship opportunity.

PROFILE YOUR LEADERSHIP IN THE INDUSTRY

PVP attendees are leaders in the pressure vessels and piping industry. With sponsorship of PVP, your company will be recognized as a leader and profiled to decision-makers in the industry through advertising, logo placement, and networking opportunities throughout the conference.
