IPC2020 - Virtual Conference Corporate Registration Plan

IPC 2020 VC will be the first ever official virtual version of the International Pipeline Conference. Delegates will experience all the benefits of an in-person conference, through this immersive digital experience.

What to expect from IPC 2020 VC:

- Over 220 technical paper presentations
- Keynote speakers
- Access to research papers
- Networking with peers
- Sponsor Exhibits

Conference Agenda:

IPC 2020 VC is scheduled to run September 28 – September 30, 2020.

- Monday, September 28 – Tutorials
- Tuesday, September 29 – Wednesday, September 30 – Technical presentations, plenaries, and panels.

IPC 2020 VC appreciates the commitment of industry leaders and is offering discounted bulk corporate registrations packages. Packages are available now prior to public registration. **We encourage your early commitment!**

Single Registration rates (CAD):

- Member/Author: $700 NonMember: $800

Corporate Registration Packages (CAD):

Corporate Registrations	Price USD*	Price CAD	Per Each CAD
Up to 15	$6,198	$8,250	$550
Up to 30	$11,270	$15,000	$500
Up to 50	$16,900	$22,500	$450
Up to 75	$22,540	$30,000	$400
Up to 150	$39,500	$52,500	$350

Single and corporate registration rates are for the full program with all Tuesday and Wednesday activities. Technical Sessions, On Demand sessions, Executive Panel, Fireside Chat, Young Professionals Panel and Awards Ceremony are included. The conference recordings will be available for at least one month following the "live" virtual event. All attendees will have access to conference papers for single or bulk download.

Corporate registration rates are restricted to company employees. Employees/registrants will register separately using an issued company code and must use company email for registration.

For detailed program and payment information contact Kim Miceli at micelik@asme.org.
